

Amendments to the Specification

Applicants respectfully submit that the proposed amendments to the Specification are to correct various informalities, and that no new matter is being added.

Please replace paragraph [0002] with the new paragraph shown below:

U.S. patent application Ser. No. 10/815,354, entitled "GENERATING A HIGHLY CONDENSED VISUAL SUMMARY," filed on March 31, 2004, currently pending.
